ABOUT AVORE

Intelligence Beyond Motion.

Freedom has always been at the heart of two-wheelers. Avore Electric takes that legacy forward by bringing together Indian innovation, intelligent technology, and precision engineering to create a riding experience that feels seamless, connected, and empowering. More than building motorcycles, we're building the future of mobility.

Built in India. Intelligence Beyond Motion. Freedom in Every Ride.

KEY HIGHLIGHTS

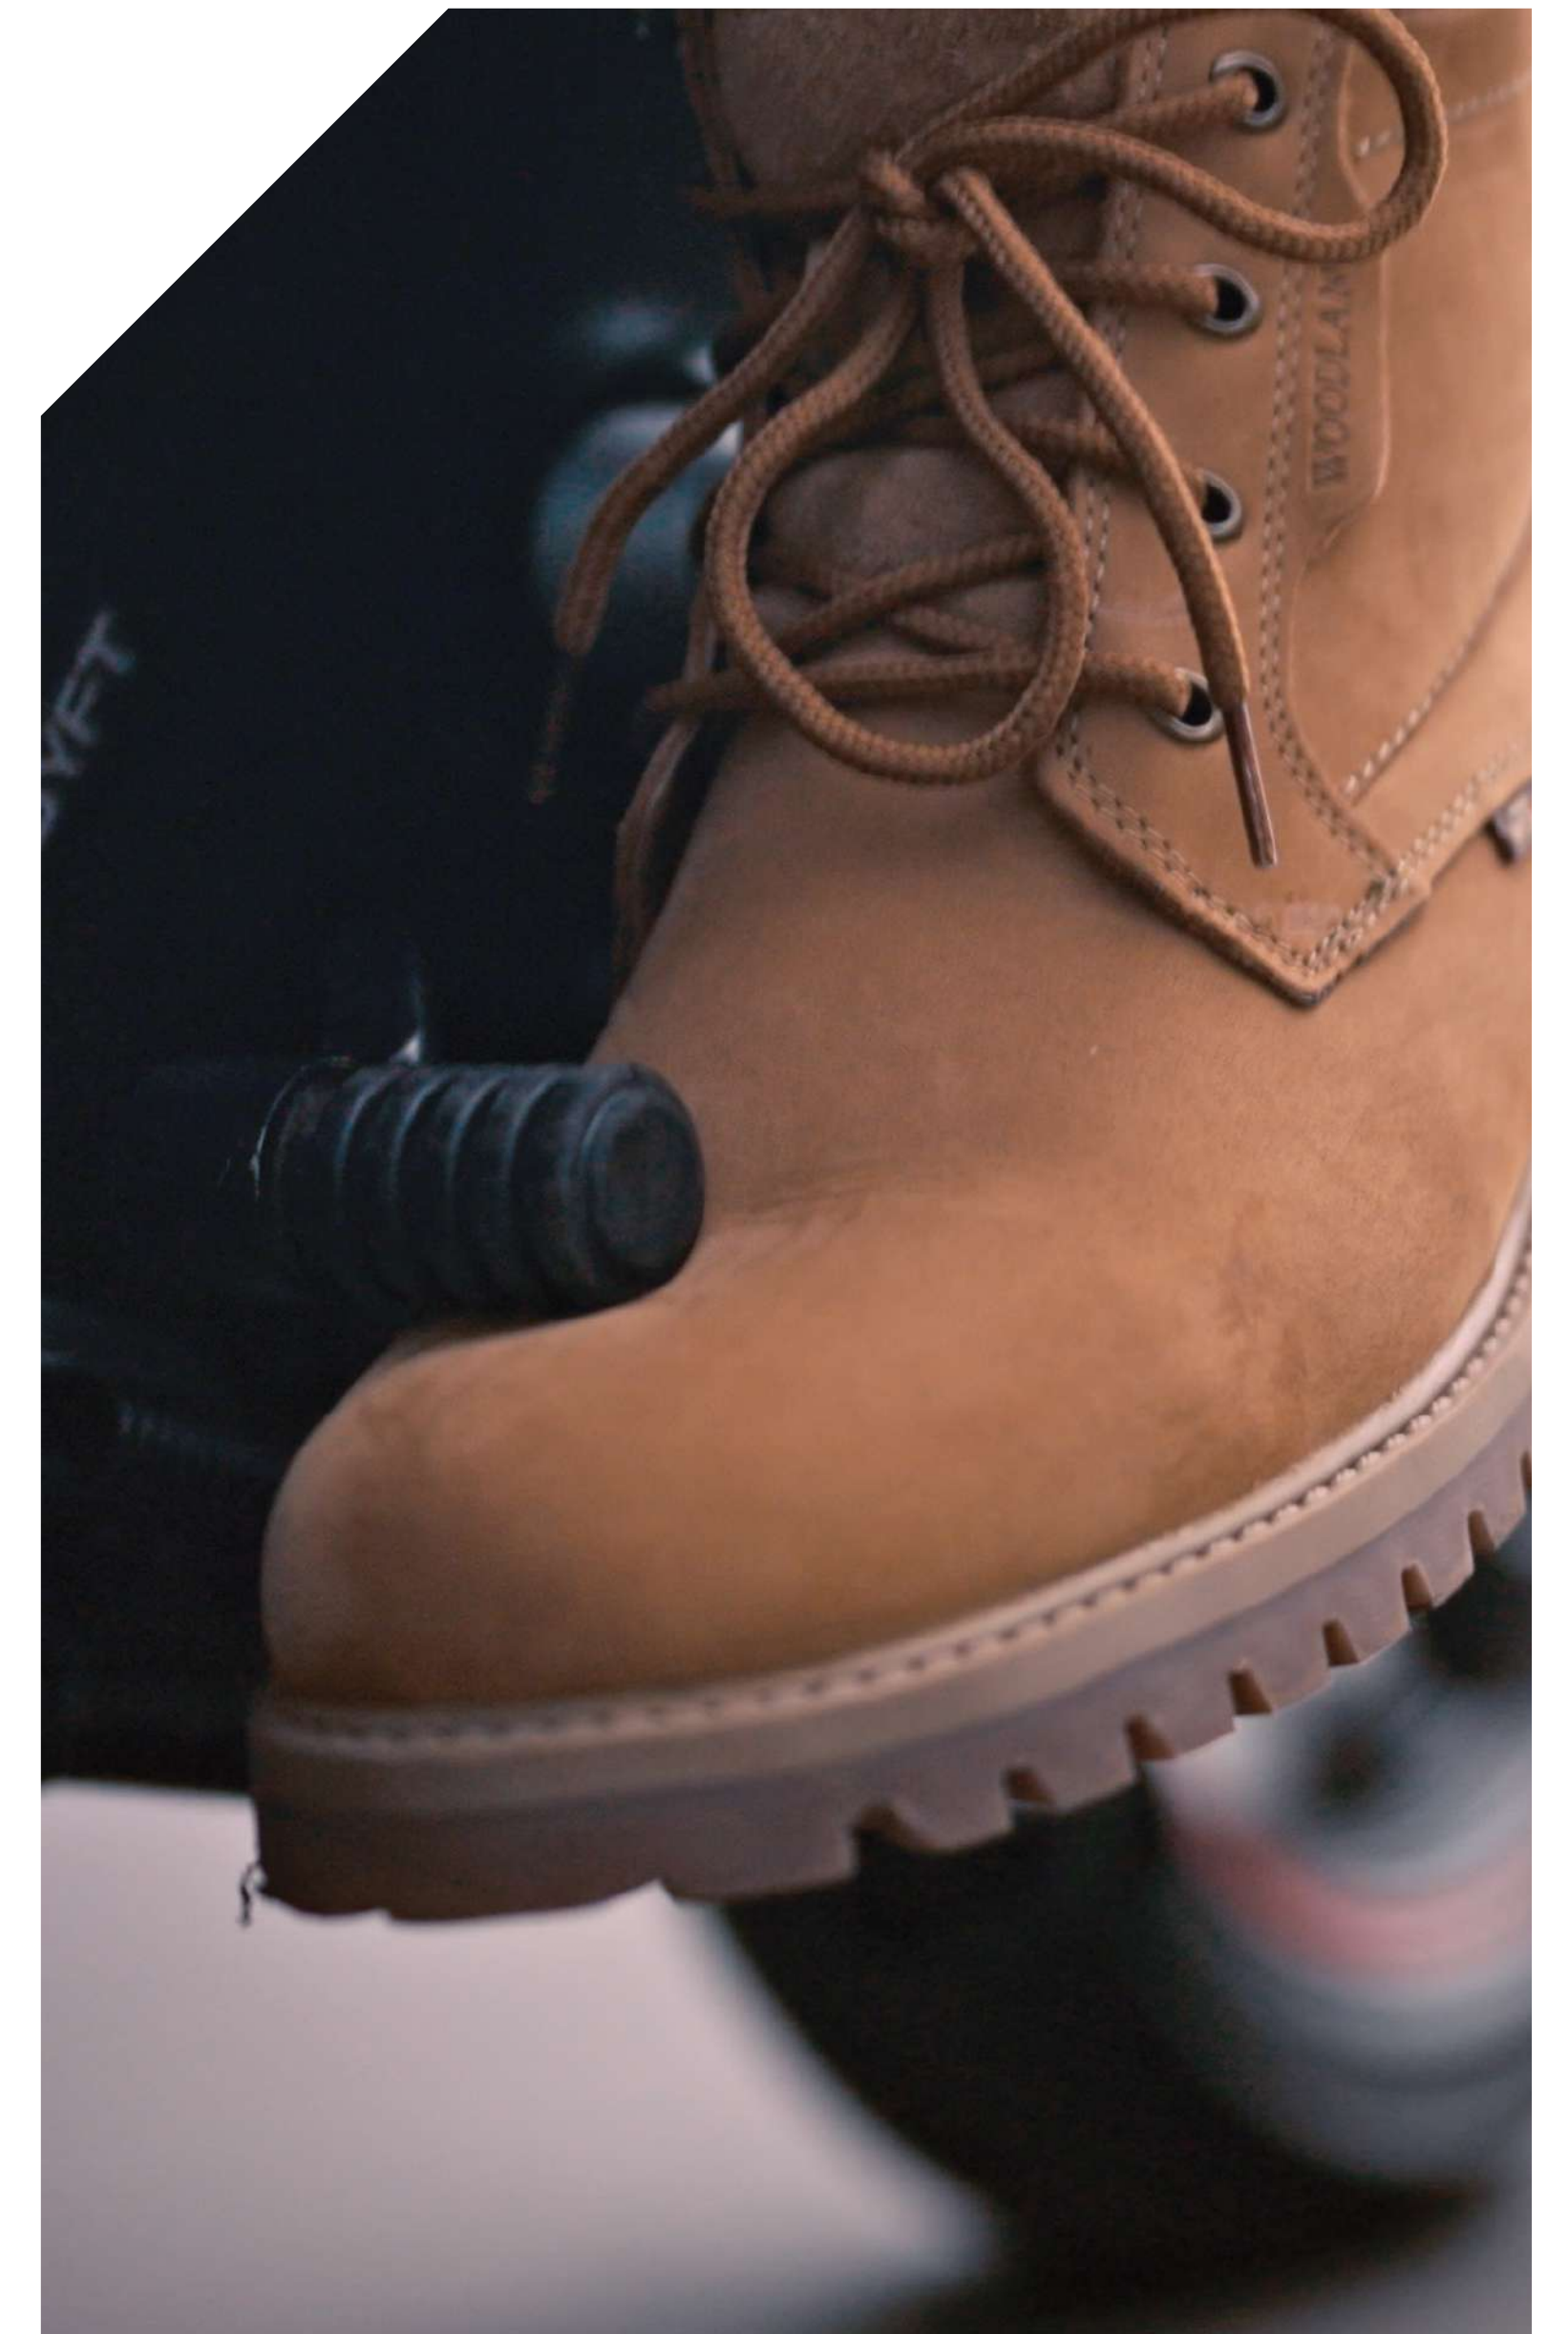

DUAL TONE STYLING

First in the segment - Premium dual-tone finishes with sharp, contemporary design language that turns heads wherever you ride. Equipped with **signature head lamp & tank lights**.

CHARGE ANYWHERE. ON THE GO.

Charge conveniently using a standard 5A socket or fast charging, making it easy to power up at home, work or wherever your journey takes you.

AUTO / 4-SPEED GEAR MODE

Choose effortless riding with Auto Mode or switch to a simulated 4-Speed Gear Mode for greater control and a more engaging riding experience.

7-INCH DISPLAY WITH AI STACK

A smart, connected display that puts navigation, ride information, connectivity and intelligent features right at your fingertips.

INTEGRATED MOTOR SWING ARM

An advanced integrated motor and swing arm design engineered to deliver smoother performance, better balance and improved ride dynamics.

HILL HOLD

Prevents the bike from rolling backward on inclines, allowing you to start confidently and safely on uphill roads.
